## Post-evaluation questions for Nominated Adult

From the list below which types of roads do you feel are the most dangerous for a newly qualified driver? (Please tick one answer only)

Quiet rural road    Motorway    Busy town centre    Dual

What time of day do you feel newly qualified drivers are at risk of being involved in a collision? (Please tick one answer only)

10:00am – 2:59pm    3:00pm –    6:00pm – 11:59pm

midnight – 6:59am    7:00am –

Please indicate how strongly you agree or disagree with the following

			Neither	Agree	Strongly agree
Compared to older drivers fatigue is not a major issue for newly qualified drivers	1	2	3	4	5
We can all be distracted by passengers therefore the danger of passenger distraction is likely to be just as dangerous for an experienced driver as it would be for a newly qualified driver	1	2	3	4	5
Using a hands-free mobile kit is no more dangerous for novice drivers compared to an experienced driver	1	2	3	4	5

			Neither	Agree	Strongly agree
Having a small glass of wine or half a pint of beer / lager (or a drink equivalent to 1 unit of alcohol) would be more dangerous for a newly qualified driver compared to an experienced driver	1	2	3	4	5
Having 3 passengers of a similar age in a vehicle is unlikely to significantly influence a newly qualified driver any more than it would an experienced driver	1	2	3	4	5
Based on my experience of the engage scheme I would recommend it to other people	1	2	3	4	5
I feel the engage scheme is an excellent road safety initiative	1	2	3	4	5
I am now much more aware of the difficulties newly qualified drivers experience	1	2	3	4	5
I learnt nothing from my session	1	2	3	4	5
I did not enjoy the session	1	2	3	4	5
There is a clear benefit for the learner driver because I have attended this session	1	2	3	4	5
I would welcome the opportunity to sit in on a driving lesson	1	2	3	4	5
